

**JOINT INDUSTRY BEEF SAFETY COMMITTEE**  
**2010 Winter Convention, San Antonio, TX, January 29, 2010**

Jeff Clausen, Chair  
Todd Allen, Vice Chair

Chairman Jeff Clausen and Vice Chair Todd Allen led the Joint Industry Beef Safety Committee through an agenda providing an overview and opportunity for discussion of the FY 2009 and 2010 Beef Safety Research Program. In addition, committee members heard from Dr. Stuart Reid, Dean of the Veterinary School, University of Glasgow, about antimicrobial resistance development in pathogens. Mr. Al Almanza, Administrator for USDA-FSIS provided a regulatory update to the committee.

A policy update was provided by NCBA staff and the Beef Safety Research Advisory Survey and Webinar report was discussed by the committee as well as policy resolutions that were updated and submitted to the board for consideration.
