The Committee shall receive and evaluate, or on its own initiative, develop and submit to the Secretary for approval any plans and projects for promotion, research, consumer information and industry information authorized by this subpart. Such plans and projects shall provide for:

## **Assessments**

### **§1260.172 Assessments.**

- (a) *Domestic assessments.* (1) Except as prescribed by regulations approved by the Secretary, each person making payment to a producer for cattle purchased from such producer shall be a collecting person and shall collect an assessment from the producer, and each producer shall pay such assessment to the collecting person, at the rate of one dollar (\$1) per head of cattle purchased and such collecting person shall remit the assessment to the Board or to a qualified State beef council pursuant to §1260.172(a)(5).

(2) Any producer marketing cattle of that producer's own production in the form of beef or beef products to consumers, either directly or through retail or wholesale outlets, or for export purposes, shall remit to a qualified State beef council or to the Board an assessment on such cattle at the rate of one dollar (\$1) per head of cattle or the equivalent thereof.

(3) In determining the assessment due from each producer pursuant to §1260.172(a), a producer who is contributing to a qualified State beef council(s) shall receive a credit from the Board for contributions to such Council, but not to exceed 50 cents per head of cattle assessed.

(4) In order for a producer described in §1260.172(a) to receive the credit authorized in §1260.172(a)(3), the qualified State beef council or the collecting person must establish to the satisfaction of the Board that the producer has contributed to a qualified State beef council.

(5) Each person responsible for the remittance of the assessment pursuant to §1260.172 (a) (1) and (2) shall remit the assessment to the qualified State beef council in the State from which the cattle originated prior to sale, or if there is no qualified State beef council within such State, the assessment shall be remitted directly to the Board. However, the Board, with the approval of the Secretary, may authorize qualified State beef councils to propose modifications to the foregoing "State of origin" rule to ensure effective coordination of assessment collections between qualified State beef councils. Qualified State beef councils and the Board shall coordinate assessment collection procedures to ensure that producers selling or marketing cattle in interstate commerce are required to pay only one assessment per individual sale of cattle. For the purpose of this subpart, "State of origin" rule means the State where the cattle were located at time of sale, or the State in which the cattle were located prior to sale if such cattle were transported interstate for the sole purpose of sale. Assessments shall be remitted not later than the 15th day of the month following the month in which the cattle were purchased or marketed.

(6) If a State law or regulation promulgated pursuant to State law requires the payment and collection of a mandatory, nonrefundable assessment of more fifty (50) cents per head on the sale and purchase of cattle, or the equivalent thereof for beef and beef products as described in §1260.172 (a)(1) and (2) for use by a qualified State beef council to fund activities similar to those described in §1260.169, and such State law or regulation authorizes the issuance of a credit of that amount of the assessment which exceeds fifty (50) cents to producers who waive any right to the refund of the assessment credited by the State due pursuant to this subpart, then any producer subject to such State law or regulation who pays only the amount due pursuant to such State law or regulation and this subpart, including any credits issued, shall thereby waive that producer's right to receipt from the Board of a refund of such assessment for that portion of such refund for which the producer received credit pursuant to such State law or regulation.

(7) A producer may request a redirection of assessments from a Qualified State Beef Council to the Board in accordance with §1260.181(b)(8) or (9) by submitting a redirection request on the appropriate form postmarked by the 15th day of the month following the month in which the cattle were sold. Requests may not be retroactive. Requests to redirect assessments must be submitted by the producers who paid the assessments.

(b) *Importer assessments.* (1) Importers of cattle, beef, and beef products into the United States shall pay an assessment to the Board through the U.S. Customs Service, or in such other manner as may be established by regulations approved by the Secretary.

(2) The assessment rates for imported cattle, beef, beef products, are as follows:

## **§§1260.173-1260.174 [Reserved]**

### **§1260.175 Late-payment charge.**

Any unpaid assessments due to the Board pursuant to §1260.172 shall be increased 2.0 percent each month beginning with the day following the date such assessments were due. Any remaining amount due, which shall include any unpaid charges previously made pursuant to this section, shall be increased at the same rate on the corresponding day of each month thereafter until paid. For the purposes of this section, any assessment that was determined at a date later than prescribed by this subpart because of a person's failure to submit a report to the Board when due shall be considered to have been payable by the date it would have been due if the report had been filed when due. The timeliness of a payment to the Board shall be based on the applicable postmark date or the date actually received by the qualified State beef council or Board, whichever is earlier.

## **§1260.176 Adjustment of accounts.**

Whenever the Board or the Department determines that money is due the Board or that money is due any person from the Board, such person shall be notified of the amount due. The person shall then remit any amount due the Board by the next date for remitting assessments as provided in §1260.172. Overpayments shall be credited to the account of the person remitting the overpayment and shall be applied against amounts due in succeeding months except that the Board shall make prompt payment when an overpayment cannot be adjusted by a credit.

## **§1260.181 Qualified State Beef Councils.**

(a) Any beef promotion entity that is authorized by State statute or is organized and operating within a State, that receives assessments or contributions from producers and conducts beef promotion, research, consumer information and/or industry information programs may apply for certification of qualification so that producers may receive credit pursuant to §1260.172(a)(3) for contributions to such organization. The Board shall review such applications for certification and shall make a determination as to certification of such applicant.

(b) In order for the State beef council to be certified by the Board as a qualified State beef council, the council must:

(1) Conduct activities as defined in §1260.169 that are intended to strengthen the beef industry's position in the marketplace;

(2) Submit to the Board a report describing the manner in which assessments are collected and the procedure utilized to ensure that assessments due are paid;

(3) Certify to the Board that such council will collect assessments paid on cattle originating from the State or unit within which the council operates and shall establish procedures for ensuring compliance with this subpart with regard to the payment of such assessments;

(4) Certify to the Board that such organization shall remit to the Board assessments paid and remitted to the council, minus authorized credits issued to producers pursuant to §1260.172(a)(3), by the 15th day of the month following the month in which the assessment was remitted to the Qualified State Beef Council unless the Board determines a different date for remittance of assessments.

(5) [Reserved]

(6) Certify to the Board that the council will furnish the Board with an annual report by a certified public accountant of all funds remitted to such council pursuant to this subpart and any other reports and information the Board or Secretary may request; and

(7) Not use council funds collected pursuant to this subpart for the purpose of influencing governmental policy or action, or to fund plans or projects which make use of any unfair or

deceptive acts or practices including unfair or deceptive acts or practices with respect to the quality, value or use of any competing product.

(8) Certify to the Board, if the Council is authorized or permitted to pay refunds of contributions to the Council, that any requests from producers for such refunds by the producers will be honored by redirecting to the Board that portion of such refunds equal to the amount of credit received by the producer for contributions pursuant to §1260.172(a)(3).

(9) Certify to the Board that, if the Council is in a State in which State law does not require collection of the \$1-per-head assessment set forth in the Act (the federal assessment) by the Council, or if the Council is in a State in which State statutes do not require producers to contribute a portion of the \$1-per-head federal assessment to the Council, the Council will provide an opportunity for producers to choose to direct the full \$1-per-head federal assessment to the Board.

  - (2) The exemption shall apply to all certified “organic” or “100 percent organic” (as defined in the NOP) products of a producer regardless of whether the agricultural commodity subject to the exemption is produced by a person that also produces conventional or nonorganic agricultural products of the same agricultural commodity as that for which the exemption is claimed;
  - (3) The producer maintains a valid certificate of organic operation as issued under the Organic Foods Production Act of 1990 (7 U.S.C. 6501-6522) (OFPA) and the NOP regulations issued under OFPA (7 CFR part 205); and

- (b) To apply for exemption under this section, a producer shall submit a request to the Board or QSBC on an *Organic Exemption Request Form* (Form AMS-15) at any time during the year initially, and annually thereafter on or before January 1, for as long as the producer continues to be eligible for the exemption.

(c) A producer request for exemption shall include the following:

(1) The applicant's full name, company name, address, telephone and fax numbers, and email address;

Such importer may submit documentation to the Board and request an exemption from assessment on certified “organic” or “100 percent organic” cattle or beef and beef products on an *Organic Exemption Request Form* (Form AMS-15) at any time initially, and annually thereafter on or before January 1, as long as the importer continues to be eligible for the exemption. The Board will also issue the importer an alphanumeric number valid for 1 year from the date of issue. This alphanumeric number should be entered by the importer on the Customs entry documentation. Any line item entry of “organic” or “100 percent organic” cattle or beef and beef products bearing this alphanumeric number assigned by the Board will not be subject to assessments. ### **§1260.311 Collecting persons for purposes of collection of assessments.**

Collecting persons for purposes of collecting and remitting the \$1.00 per head assessment shall be:

(a) Except as provided in paragraphs (b), (c), and (f) of this section, each person making payment to a producer for cattle purchased in the United States shall collect from the producer an assessment at the rate of \$1-per-head of cattle purchased and shall be responsible for remitting assessments to the QSBC or the Board as provided in §1260.312. The collecting person shall collect the assessment at the time the collecting person makes payment or any credit to the producer's account for the cattle purchased. The person paying the producer shall give the producer a receipt indicating payment of the assessment.

(b) Any producer marketing cattle of that producer's own production in the form of beef or beef products to consumers, either directly or through retail or wholesale outlets, shall be responsible for remitting to the qualified State beef council or the Cattlemen's Board pursuant to §1260.312, an assessment on such cattle at the rate of \$1.00 per head of cattle or the equivalent thereof. The obligation to remit the assessment shall attach upon slaughter of the cattle, and the producer responsible for remitting the assessment shall remit the assessment in the manner provided in

§1260.312. For the purposes of this subpart, a producer marketing cattle of the producer's own production in the form of beef or beef products shall be considered a collecting person.

(c) In the States listed in the following chart there exists a requirement that cattle be brand inspected by State authorized inspectors prior to sale. In addition, when cattle are sold in the sales transactions listed below in those States, these State authorized inspectors are authorized to, and shall, except as provided for in paragraph (f) of this section, collect assessments due as a result of the sale of cattle. (4) For those cattle for which the assessment has been producer directed and paid in advance pursuant to paragraph (f)(1) of this section, the purchaser of the cattle shall not be required to collect and remit the assessment, but shall maintain on file a copy of the Certification of Producer Directed Payment of Cattle Assessments form completed and signed by the producer who originally transported the cattle under retained ownership.

(5) For those cattle for which the assessment has been producer directed and paid in advance pursuant to paragraph (f)(1) of this section, copies of the completed Certification of Producer Directed Payment of Cattle Assessments form shall be maintained on file by the producer, the QSBC or the Board, the feedlot operator, and the purchaser of the cattle for 3 years.
